San Joaquin Delta Segment  
East Bay/Contra Costa Segment

### Volunteer Position Description:

- Subject to the control and supervision of the Board
- Attend monthly MCCTC meetings
- Submit a monthly segment report
- Promote the MCCT effort
- The Segment Coordinator, with the help of volunteers, may identify and evaluate potential trail alignments within the corridor, designate potential use, connections to population centers and mass transit facilities; develop public relations and education strategies; identify links to public lands and community activity centers; estimate cost of trail development and management; identify and manage financial resources; consider user safety, sensitivity of any ecological, historical, or cultural sites and other related issues as needed.

### Desired Qualifications:

Candidate must be interested in trails in general and MCCT in particular; able to work independently and as part of a team; committed to making a contribution working as a volunteer, and willing to attend monthly meetings. They should also possess the ability to communicate clearly, work effectively with and assist MCCTC officers, volunteers, donors, sponsors, board members, agencies, landowners and organizations, while employing tact and sound judgment, in order to maintain and nurture their relationships with the MCCT

### Additional Information:

The Mokelumne Coast to Crest Trail Council (MCCTC) is a committee made up of board members, officers, trail segment representatives, and agency representatives. They meet on a regular basis to discuss implementing the trail segments, identify and evaluate potential trail alignments within the corridor, potential use, connections to population centers and mass transit facilities, public relations and education, links to public lands and community activity centers, cost of trail management and development, finance, user safety, sensitivity of any ecological, historical, or cultural sites and other related issues.

The mission of the MCCTC is to work together on a scenic corridor extending from the Pacific Ocean near San Francisco Bay to the Pacific Crest Trail in the Sierra Nevada Range. Users of the Mokelumne Coast to Crest Trail will experience diverse outdoor settings including the urban greenbelt along the San Francisco Bay, the protected open space & parkland of the East Bay, the rural landscape of the San Joaquin River Delta & Mother Lode Country, and the forested slopes along the Mokelumne River Canyon and High Sierra. Martinez Shoreline Regional Shoreline in western Contra Costa County and Ebbetts Pass in the High Sierra is the proposed anchor points.
